Acceptance of this agreement

In connection with Cambium Networks delivery of certain proprietary software or products containing embedded or pre-loaded proprietary software, or both, Cambium Networks is willing to license this

certain proprietary software and the accompanying documentation to you only on the condition that you accept all the terms in this End User License Agreement (“Agreement”).

IF YOU DO NOT AGREE TO THE TERMS OF THIS AGREEMENT, DO NOT USE THE PRODUCT OR INSTALL THE SOFTWARE. INSTEAD, YOU MAY, FOR A FULL REFUND, RETURN THIS PRODUCT TO THE LOCATION WHERE YOU ACQUIRED IT OR PROVIDE WRITTEN VERIFICATION OF DELETION OF ALL COPIES OF THE SOFTWARE. ANY USE OF THE SOFTWARE, INCLUDING BUT NOT LIMITED TO USE ON THE PRODUCT, WILL CONSTITUTE YOUR ACCEPTANCE TO THE TERMS OF THIS AGREEMENT.

Definitions

In this Agreement, the word “Software” refers to the set of instructions for computers, in executable form and in any media, (which may include diskette, CD-ROM, downloadable internet, hardware, or firmware) licensed to you. The word “Documentation” refers to electronic or printed manuals and accompanying instructional aids licensed to you. The word “Product” refers to Cambium Networks fixed wireless broadband devices for which the Software and Documentation is licensed for use.

Grant of license

Cambium Networks Limited (“Cambium”) grants you (“Licensee” or “you”) a personal, nonexclusive, non-transferable license to use the Software and Documentation subject to the conditions of use set forth in “Conditions of use” and the terms and conditions of this agreement. Any terms or conditions relating to the Software and Documentation appearing on the face or reverse side of any purchase order, purchase order acknowledgment or other order document that are different from, or in addition to, the terms of this Agreement will not be binding on the parties, even if payment is accepted.

Conditions of use

Any use of the Software and Documentation outside of the conditions set forth in this agreement is strictly prohibited and will be deemed a breach of this agreement.

Only you, your employees or agents may use the Software and Documentation. You will take all necessary steps to ensure that your employees and agents abide by the terms of this Agreement.

You will use the Software and Documentation (i) only for your internal business purposes; (ii) only as described in the Software and Documentation; and (iii) in strict accordance with this Agreement.

You may use the Software and Documentation, provided that the use is in conformance with the terms set forth in this Agreement.

Portions of the Software and Documentation are protected by United States copyright laws, international treaty provisions, and other applicable laws. Therefore, you must treat the Software like any other copyrighted material (for example, a book or musical recording) except that you may either: (i) make 1 copy of the transportable part of the Software (which typically is supplied on diskette, CD-ROM, or downloadable internet), solely for back-up purposes; or (ii) copy the transportable part of the Software to a PC hard disk, provided you keep the original solely for backup purposes. If the Documentation is in printed form, it may not be copied. If the Documentation is in electronic form, you may print out 1 copy, which then may not be copied. With regard to the copy made for backup or archival purposes, you agree to reproduce any Cambium Networks copyright notice, and other proprietary legends appearing thereon. Such copyright notice(s) may appear in any of several forms, including machine-readable form, and you agree to reproduce such notice in each form in which it appears, to the extent it is physically possible to do so. Unauthorized duplication of the Software or Documentation constitutes copyright infringement, and in the United States is punishable in federal court by fine and imprisonment.

You will not transfer, directly or indirectly, any product, technical data or software to any country for which the United States Government requires an export license or other governmental approval without first obtaining such license or approval.

Title and restrictions

If you transfer possession of any copy of the Software and Documentation to another party outside of the terms of this agreement, your license is automatically terminated. Title and copyrights to the Software and Documentation and any copies made by you remain with Cambium Networks and its licensors. You will not, and will not permit others to: (i) modify, translate, decompile, bootleg, reverse engineer, disassemble, or extract the inner workings of the Software or Documentation, (ii) copy the look-and-feel or functionality of the Software or Documentation; (iii) remove any proprietary notices, marks, labels, or logos from the Software or Documentation; (iv) rent or transfer all or some of the Software or Documentation to any other party without Cambium's prior written consent; or (v) utilize any computer software or hardware which is designed to defeat any copy protection device, should the Software and Documentation be equipped with such a protection device. If the Software and Documentation is provided on multiple types of media (such as diskette, CD-ROM, downloadable internet), then you will only use the medium which best meets your specific needs, and will not loan, rent, lease, or transfer the other media contained in the package without Cambium's written consent. Unauthorized copying of the Software or Documentation, or failure to comply with any of the provisions of this agreement will result in automatic termination of this license.

Confidentiality

You acknowledge that all Software and Documentation contain valuable proprietary information and trade secrets and that unauthorized or improper use of the Software and Documentation will result in irreparable harm to Cambium Networks for which monetary damages would be inadequate and for which Cambium Networks will be entitled to immediate injunctive relief. If applicable, you will limit access to the Software and Documentation to those of your employees and agents who need to use the Software and Documentation for your internal business purposes, and you will take appropriate action with those employees and agents to preserve the confidentiality of the Software and Documentation, using the same degree of care to avoid unauthorized or improper disclosure as you use for the protection of your own proprietary software, but in no event less than reasonable care.

You have no obligation to preserve the confidentiality of any proprietary information that: (i) was in the public domain at the time of disclosure; (ii) entered the public domain through no fault of yours; (iii) was given to you free of any obligation to keep it confidential; (iv) is independently developed by you; or (v) is disclosed as required by law provided that you notify Cambium Networks prior to such disclosure and provide Cambium Networks with a reasonable opportunity to respond.

Right to use Cambium's name

Except as required in "Conditions of use", you will not, during the term of this Agreement or thereafter, use any trademark of Cambium Networks, or any word or symbol likely to be confused with any Cambium Networks trademark, either alone or in any combination with another word or words.

Transfer

The Software and Documentation may not be transferred to another party without the express written consent of Cambium Networks, regardless of whether or not such transfer is accomplished by physical or electronic means. Cambium's consent may be withheld at its discretion and may be conditioned upon transferee paying all applicable license fees and agreeing to be bound by this Agreement.

Updates

During the first 12 months after purchase of a Product, or during the term of any executed Maintenance and Support Agreement for the Product, you are entitled to receive Updates. An “Update” means any code in any form which is a bug fix, patch, error correction, or minor enhancement, but excludes any major feature added to the Software. Updates are available for download at the support website.

Major features may be available from time to time for an additional license fee. If Cambium Networks makes available to your major features and no other end user license agreement is provided, then the terms of this Agreement will apply.

Maintenance

Except as provided above, Cambium Networks is not responsible for maintenance or field service of the software under this Agreement.

U.S. government

If you are acquiring the product on behalf of any unit or agency of the U.S. Government, the following applies. Use duplication, or disclosure of the Software and Documentation is subject to the restrictions set forth in subparagraphs (c) (1) and (2) of the Commercial Computer Software – Restricted Rights clause at FAR 52.227-19 (JUNE 1987), if applicable, unless being provided to the Department of Defense. If being provided to the Department of Defense, use, duplication, or disclosure of the products is subject to the restricted rights set forth in subparagraph (c) (1) (ii) of the Rights in Technical Data and Computer Software clause at DFARS 252.227-7013 (OCT 1988), if applicable. Software and Documentation may or may not include a Restricted Rights notice, or other notice referring specifically to the terms and conditions of this Agreement. The terms and conditions of this Agreement will each continue to apply, but only to the extent that such terms and conditions are not inconsistent with the rights provided to you under the aforementioned provisions of the FAR and DFARS, as applicable to the particular procuring agency and procurement transaction.

Term of license

Your right to use the Software will continue in perpetuity unless terminated as follows. Your right to use the Software will terminate immediately without notice upon a breach of this Agreement by you. Within 30 days after termination of this Agreement, you will certify to Cambium Networks in writing that through your best efforts, and to the best of your knowledge, the original and all copies, in whole or in part, in any form, of the software and all related material and Documentation, have been destroyed, except that, with prior written consent from Cambium Networks, you may retain one copy for archival or backup purposes. You may not sub-license, assign or transfer the license or the Product, except as

expressly provided in this Agreement. Any attempt to otherwise sub-license, assign or transfer any of the rights, duties or obligations hereunder is null and void.

Governing law

This Agreement is governed by the laws of the United States of America to the extent that they apply and otherwise by the laws of the State of Illinois.

Assignment

This agreement may not be assigned by you without Cambium's prior written consent.

Survival of provisions

The parties agree that where the context of any provision indicates an intent that it survives the term of this Agreement, then it will survive.

Entire agreement

This agreement contains the parties' entire agreement regarding your use of the Software and may be amended only in writing signed by both parties, except that Cambium Networks may modify this Agreement as necessary to comply with applicable laws.

Third party software

The software may contain one or more items of Third-Party Software supplied by other third-party suppliers. The terms of this Agreement govern your use of any Third-Party Software UNLESS A SEPARATE THIRD-PARTY SOFTWARE LICENSE IS INCLUDED, IN WHICH CASE YOUR USE OF THE THIRD-PARTY SOFTWARE WILL THEN BE GOVERNED BY THE SEPARATE THIRD-PARTY LICENSE.

OpenSUSE Linux distribution

This agreement governs your download, installation, or use of openSUSE 13.1 and its updates, regardless of the delivery mechanism. openSUSE 13.1 is a collective work under US Copyright Law. Subject to the following terms, The openSUSE Project grants to you a license to this collective work pursuant to the GNU General Public License version 2. By downloading, installing, or using openSUSE 13.1, you agree to the terms of this agreement. openSUSE 13.1 is a modular Linux operating system consisting of hundreds of software components. The license agreement for each component is generally located in the component's source code. With the exception of certain files containing the "openSUSE" trademark discussed below, the license terms for the components permit you to copy and redistribute the component. With the potential exception of certain firmware files, the license terms for the components permit you to copy, modify, and redistribute the component, in both source code and binary code forms. This agreement does not limit your rights under, or grant you rights that supersede, the license terms of

any particular component. openSUSE 13.1 and each of its components, including the source code, documentation, appearance, structure, and organization, are copyrighted by The openSUSE Project and others and are protected under copyright and other laws. Title to openSUSE 13.1 and any component, or to any copy, will remain with the aforementioned or its licensors, subject to the applicable license. The "openSUSE" trademark is a trademark of SUSE, LLC. in the US and other

countries and is used by permission. This agreement permits you to distribute unmodified or modified copies of openSUSE

13.1 using the "openSUSE" trademark on the condition that you follow The openSUSE Project's trademark guidelines located at <http://en.opensuse.org/Legal>. You must abide by these trademark guidelines when distributing openSUSE 13.1, regardless of whether openSUSE 13.1 has been modified.

Except as specifically stated in this agreement or a license for a particular component, TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW, OPENSUSE 13.1 AND THE COMPONENTS ARE PROVIDED AND LICENSED "AS IS" WITHOUT WARRANTY OF ANY KIND, EXPRESSED OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY, TITLE, NON-INFRINGEMENT, OR FITNESS FOR A PARTICULAR PURPOSE. The open-

SUSE Project does not warrant that the functions contained in openSUSE 13.1 will meet your requirements or that the operation of openSUSE 13.1 will be entirely error free or appear precisely as described in the accompanying documentation. USE OF OPENSUSE 13.1 IS AT YOUR OWN RISK.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE OPENSUSE PROJECT (AND ITS LICENSORS, SUBSIDIARIES, AND EMPLOYEES) WILL NOT BE LIABLE TO YOU FOR ANY DAMAGES, INCLUDING DIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, LOST PROFITS, OR LOST SAVINGS ARISING OUT OF THE USE OR INABILITY TO USE OPENSUSE 13.1, EVEN IF THE OPENSUSE PROJECT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN A JURISDICTION THAT LIMITS THE EXCLUSION OR LIMITATION OF DAMAGES, THE OPENSUSE PROJECT'S (AND ITS LICENSORS', SUBSIDIARIES', AND EMPLOYEES') AGGREGATE LIABILITY IS LIMITED TO \$50US, OR IF SUCH A LIMITATION IS NOT ALLOWED, IS LIMITED TO THE MAXIMUM EXTENT ALLOWED.

As required by US law, you represent and warrant that you:

(a) understand that openSUSE 13.1 is subject to export controls under the Export Administration Regulations ("EAR") which are implemented and enforced by the US Department of Commerce, Bureau of Industry and Security;

(b) are not located in a prohibited destination country or are specifically prohibited under the EAR or US sanctions regulations;

(c) will not export, re-export, or transfer openSUSE 13.1 to any prohibited destination, entity, or individual without the necessary export license(s) or authorization(s) from the US Government;

(d) will not use or transfer openSUSE 13.1 for use in any sensitive nuclear, chemical, or biological weapons or missile technology end-uses unless authorized by the US Government by regulation or specific license;

(e) understand that countries other than the US may restrict the import, use, or export of encryption products and that you will be solely responsible for compliance with any such import, use, or export restrictions. If any provision of this agreement is held to be unenforceable, that will not affect the enforceability of the remaining provisions. This agreement will be governed by the laws of the State of Utah and of the US, without regard to any conflict of laws provisions, except that the United Nations Convention on the International Sale of Goods will not apply. This agreement sets forth the entire understanding and agreement between you and The openSUSE Project regarding its subject matter and may be amended only in a writing signed by both parties. No waiver of any right under this agreement will be effective unless in writing, signed by a duly authorized representative of the party to be bound. No waiver of any past or present right arising from any breach or failure to perform will be deemed to be a waiver of any future right arising under this agreement. Use, duplication, or disclosure by the U.S.

Government is subject to the restrictions in FAR 52.227-14 (June 1987) Alternate III (June 1987), FAR 52.227-19 (June 1987), or DFARS 252.227-7013 (b)(3) (November 1995), or applicable successor clauses.
